David

Either day is ok with me for a meeting in SF. I've copied some critical staff to make sure they can attend.

Hi Pat and John:

I wanted to reach out to you to see if we can set up a meeting to discuss the proposed Arroyo Grande aquifer exemption. We have now had a chance to review the State's submittal and we would appreciate an opportunity to discuss the package and some questions we have. We have a couple of blocks of time that would work for us next week – 10-12 noon on Tuesday March 8 or 10-12 noon on Friday March 11. An in-person discussion is preferred and we are happy to host that here in SF, if that would work for you.

We are interested in sharing some input/questions with you prior to the meeting to make the discussion as productive as possible, but I wanted to pin down the timing/logistics as soon as possible. I've limited the distribution of this email and ask that you invite others from your agencies as you deem appropriate.

Thanks,  
David
